

Brand new premises for our Cornwall branch heralds a great start of what we hope will be a great year for us and our customers.

At Timber Store we have developed a wealth of experience in all aspects of **timber supply**, which has now made us the choice of many local landscapers, fencing and decking contractors and building firms across

,
[Devon](#)

and Somerset.

Our friendly, experienced staff at our retail offices welcome both trade and private customers alike, and make everyone feel welcome and comfortable. Our retail offices also stock items such as tools, fixings and timber stains. We have developed our product range over recent years to include a much broader range of construction materials such as insulation products, plaster board, ply woods etc
